

Small **ALPACA HERD**

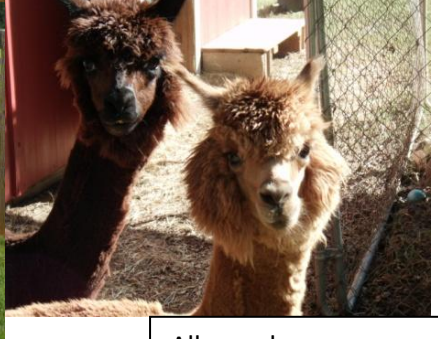

FOR SALE -- \$4400

All ALPACAS ARI registered

Two females with crias (babies) due in July 2015.

One Herdsire and one gelding

- Each group requires a separate pasture area, good fencing to protect from predators, and shelter.
- A gelding is an asset to alpaca ownership. He can be placed with males, crias (babies), or females, as needed. He is not aggressive toward the others.
- Alpacas cannot live as individuals and will not be sold separately.
